

# New cloth grinding belts for grinding steel and stainless steel

## RB 480 24 YX

### Product Description

Type	RB 480 24 YX (48024)
Grain	Zirconia alumina, Highly tough
Bonding	Resin
Backing	Heavy, semi flexible polyester/cotton cloth
Coating	Closed (cl)
Grit range	+24, +36 to +120

### Product Benefits

- **Tear resistant grinding belt** with excellent cutting performance
- **Aggressive, high-performance grinding characteristics** due to new type of zirconia alumina grain mix
- **For high cutting load**
- **All joint executions** are suitable
- **Modern bond system** improves adhesion of grit to the cloth
- **Resistant to water, emulsion and oil**
- **Better adhesion for the flap disc production**

### Applications

- Suitable for coarse grinding like deburring of workpieces made of steel, non-ferrous metal and cast iron. *Examples: profiles, tubes, tools, welding seams, castings and stainless steel housing in apparatus/tank bodies*
